

NORBIS Summer School 2017;

Communicating research by visualisation, illustration and storytelling

Kalfaret Brygghus, Bergen, 28 August – 1 September 2017

Practical information

All addresses are indicated on the attached map

Venue

The NORBIS Summer School 2017 will take place at Kalfaret Brygghus, Kalfarveien 76, www.kalfaretbrygghus.no The venue is within walking distance (about 900 m) from the suggested accommodation at Hotel Zander K (see map). We will provide lunch, coffee, tea and snacks during the summer school. **Please let us know of any allergies or dietary preferences as soon as possible.**

Transport

From Bergen Airport Flesland, you can travel by the airport bus or the city light rail called 'Bybane', both will take you to the city centre. Hotel Zander K is very close to the Bybane stop 'Nonneseter' and the main bus station in Bergen. Kalfaret Brygghus may be reached by a nice 10-15 min walk from the bus station/Nonneseter, see attached map. Alternatively, you may enter bus number 2, 3, 11 and 80 at the stop Stadsporten, and get off at the next stop, called Kalfarlien (see map).

Software installation

- For the **visualisation** module, please find instructions on how to install software and prepare for the school here: <https://goo.gl/LMvRjm>
- For the **illustration** module, you should already have received the instructions found here (hopefully you are all well prepared by now!): <https://goo.gl/QJnt69>

Group work

For the practical work, you will be divided into smaller groups, each focusing on one of the three topics (visualisation, illustration or presentation) for about two hours with close guidance from the instructors, and then change to the next topic. The groups and the schedule for this group work will be presented when you arrive

Summer school dinner

On Tuesday 29th August at 18.00, we invite all participants for a nice dinner at Kalfaret Brygghus, which is actually the old site of the local brewery Hansa, now housing a microbrewery as well as a conference venue. The event may include a chance of tasting some of the locally produced beer. **Please let us know as soon as possible, and by 25th August at the latest, if you decide not to take part in this event.**

Social

To get in touch with the other participants of the NORBIS summer school, feel free to join our Facebook group; NORBIS Summer School, at

<https://www.facebook.com/groups/1653728531366306>.

If you want to meet for food and/or drinks during this week, we encourage you to post when and where here, to allow other participants to join you.

Schedule NORBIS summer school 2017

Key:

Visualisation theory	Practical
Communication theory	Practical
Illustration theory	Practical

*Parallell practical group sessions:

Vis: tabular, spatial, network data
Oral: develop talk with coach
Ill: develop illustration in Illustrator

	MONDAY	TUESDAY	WEDNESDAY	THURSDAY	FRIDAY
09.00		Visualisation 3: Data types (tables, spatial, networks), what tasks, what works, what doesn't	Illustration 4: How to choose the right colours, colour theory	Parallell practical group sessions	Plenum presentations
09.30	Welcome!	Visualisation 4: More visualisation: Interaction, data reduction		Oral: Final preparations	
10.00	Visualisation 1: Introduction, what is visualisation, how to use it			Illustration: Final preparations	
10.30	Visualisation 2: How to visualise, visual mappings, colours, visual channels	BREAK	BREAK	BREAK	BREAK
